

## Notices N. 7/2021

### Assignment of an external Professional Collaborator

The CNR - Institute for Research on Innovation and Services for Development (CNR IRISS) is looking for an expert of high professionalism for the following activities: Support the CNR-IRISS in the coordination and reporting of the activities of the 3R4UB project in Mongolia, as well as to facilitate relations with Mongolian institutional partners and with the Offices of the EU Delegation in Mongolia. These activities will be carried out within the project "The 3Rs for a sustainable use of natural resources in Ulaan Bator - 3R4UB" (CUP B54D19000270006) funded by the European Commission under the ASIA SWITCH Program.

#### Required technical skills:

- Ability to manage complex projects through the use of Project Management techniques
- Knowledge of issues related to environmental sustainability and development in Mongolia and / or the waste management value chain supply in Mongolia

#### Employee requirements:

- Degree diploma recognized by the countries of the European Union or Mongolia
- Work or professional experience, in public or private bodies, in activities related to environmental sustainability and development and / or the waste management value supply chain
- Resident in Mongolia, preferably in Ulaanbaatar or willingness to move to Ulaanbaatar
- Fluent or native speaker of Mongolian
- Advanced knowledge of written and spoken English

#### Method for selecting candidates:

The selection will take place through a comparative procedure based on the examination of the candidate's qualifications and an interview.

To this end, the Evaluation Committee will assign a maximum of 100 points, of which 70 will be allocated towards the qualifications and 30 towards the interview.

Evaluation of qualifications will be based on:

- Professional experience;
- Postgraduate studies and training;
- Other relevant qualifications.

Il Direttore

The interview, which will take place in English, will focus on the qualifications presented in the candidate's CV, particularly on the specific professional experience of the candidate, as well as on the verification of some technical skills related to the project.

During the interview it will be ascertained that the level of knowledge of English is advanced, as required by the call.

The selected candidate will need to show:

- A score of not less than 56 points for the evaluation of the qualifications;
- A score of not less than 24 points for the evaluation of the oral test;
- Excellent use and knowledge of the English language
- Duration of the assignment: 36 months

Location of work: Ulaanbaatar (Mongolia)

Fee for carrying out the assignment: € **43.134,64** (not subject to VAT).The

assignment is a Part time professional collaboration.

The reimbursement of travel and accommodation expenses is allowed within the limits of the project budget and subject to authorization by the Scientific Coordinator of the Project. In addition, the collaborator must follow the provisions of the "disciplinary missions" applicable to CNR employees.

The payment will be made in 38 instalments. The payment will be conditioned to the release of an appropriate declaration of performance by the Scientific Coordinator of the Project.

The Responsible of the procedure is Dr. Alfonso Morvillo.

Applications, drawn up using the format in **Annex 1**, accompanied by the CV to be drawn up according to the format in **Annex 2**, must be sent exclusively by Certified Electronic Mail (PEC) to **protocollo.iriss@pec.cnr.it**, within 14 days from the publication of this notice on the website of the CNR [www.cnr.it](http://www.cnr.it) - Services - Employment and Training. For foreign citizens and Italian citizens residing abroad, the application may be sent by ordinary e-mail to the address: **segreteria@iriss.cnr.it**.

The Assignment is regulated by the "Disciplinary Regulations for the Assignment of collaborative positions", available on the CNR website as an attachment to Circular 30/2009.
